Speaker

There is no scheduled speaker. NAC members discuss ways and locations they catch fish. There were many suggestions and not sure if I have them all.

Spot Bite in Lynnhaven at tennis courts
Small specs in Lynnhaven
Lots of blues on the islands with some rockfish
Ocean side of third island where pipe comes out of rocks – live bait

Some specs in Little Creek and some in the Elizabeth River

Still some Sheepshead being caught.

Respectfully Submitted

Doug Johnson
Secretary
